Our main gate will be manned when it is open, all other gates will remain locked to maintain security of our site. If you need to enter or exit school outside any of the above times, please be patient as a staff member will need to be available to open the gate for you.

HEAD LICE AND NITS

Head lice and nits are very common in young children and their families. They do not have anything to do with dirty hair and can be picked up via head to head contact.

We request that you please check your child's hair over the next couple of days and comb their hair thoroughly. We recommend that children with long hair keep their hair tied back within school.

ABSENCE

Is my child too ill for school?

It can be tricky deciding whether or not to keep your child off school when they are unwell. Please use the link below to see the government guidelines for schools about health protection and managing specific infectious diseases, as these say when children should be kept off school and when they shouldn't. If you do keep your child at home, please phone the school on 0161 480 2330 and leave a message on the school absence line with your child's name, class and reason for absence.
