

## The Weekly Roar!

Friday 9<sup>th</sup> January 2025

452<sup>nd</sup> Edition

### MORNING DROP OFF UPDATE

We're making a small change to how we open school in the mornings. Starting **Monday, 12th January**, we will be using **two entrance doors** instead of four. Please continue to use the same side of school to enter. There will be one door open on the front playground and one door open at the end of the back corridor.

**The timings remain the same:**

- **8:45 AM:** Doors open
- **9:00 AM:** Doors close for registration

By using fewer doors, we can get more of our staff into the classrooms earlier. This means more staff available to help the children settle in, hear pupils read, and get a head start on the day's learning. Our SLT, SEND team and learning mentors will remain available on the playground each morning.

**Pick-up remains the same:** there are no changes to the doors the children use at the end of the school day.

Thanks for your support!

### LOCKDOWN DRILL

Next week, our school will conduct a routine lockdown drill. A lockdown drill is a national requirement for our safety in school. Just like a fire drill helps us to practice getting out of school safely, a lockdown drill helps us to practice staying safely inside. This could be due to an external risk.

Mr Milner spoke to the pupils in assembly this morning to ensure they understand what a lockdown drill is and to support them remaining calm during a drill. To keep things child-friendly, we've explained it to the pupils as learning how to stay quiet and safe inside the classroom.

Please reassure your child that these drills are a normal part of school life and are simply a way for us to practice being safe in school.

### SHARE THE WARMTH

Do you have winter coats at home that your child has outgrown? We have a **Pre-Loved Coat Rail** located in our entrance hall which is looking a bit bare! We invite you to donate any pre-loved coats. In return, please feel free to take any coat from the rail that your child may need. We will also accept pre-loved hats, scarves and gloves.

It's a fantastic way to recycle, save money, and support one another.

## YOUNG CARERS

We are looking for your help to enhance our Young Carers program. This group meets once every half-term to provide a fun, supportive space for our students, and we have two ways you can get involved:

### 1. Board Games & Craft Supplies

We are looking for donations of unwanted **board games** or **craft supplies** that are in good condition.

- **How these will help:** These items allow children to take part in a wide variety of activities.
- **How this will impact our children:** If we receive enough donations, we plan to expand these resources to the whole school for use in social skills groups and our lunchtime clubs.

### 2. Share a Skill or Hobby

Do you have a hobby, skill, or area of interest you'd be willing to share? We are looking for parents or carers to lead a small session with our Young Carers. Whether it's **arts and crafts, music, cooking, sports, science** or anything else you're passionate about, we would love to hear from you!

**How to get involved:** Please drop any games off at the school office. If you have a skill to share please call us on 0161 480 2330 and Mrs Cockburn will be in touch.

Thank you for your continued support in making our school community an engaging and inspiring place for our children!

## FREE SCHOOL MEALS

We are aware that a number of families who may be eligible for Free School Meals have not yet submitted a claim. Even if you prefer to provide a packed lunch, a successful application provides significant benefits for your child and essential funding for our school.

### Why Apply?

- **Direct Support:** Your child receives a fresh, nutritious, and high-quality meal every day. Our **cashless system** ensures that students receiving free meals are completely anonymous to their peers.
- **Pupil Premium Funding:** For every student registered, the school receives additional funding to support their learning.
- **School Holiday Support:** Registered families often gain access to the Holiday Activities and Food (HAF) programme.

Checking is quick, easy, and confidential. Our new eligibility software provides an instant result. You only need to apply once; if your circumstances change at some point, the system will automatically update your status.

**Here is the link to apply:** <https://apply.cloudforedu.org.uk/ofsm/sims>

The school office is happy to help any family complete the online form in confidence.

## PE REMINDER

Please find the designated PE days for each year group below. In addition to these set days, classes may schedule an extra session at any point during the week.

Because schedules within school can occasionally shift, it is very important that children have **both their indoor and outdoor PE kits** in school every day.

Year 3: Tuesday

Year 4: Wednesday

Year 5: Monday

Year 6: Thursday
