

### How I can help you

I am always around school so if there is anything you need help with, have any questions or need somebody to talk to then I am always here to help when you need it.

### What I do at school

I am a teaching assistant, I will support your learning in the classroom as a whole class or sometimes in a little group or on your own. I also help your teacher to make sure your classroom is ready for learning.

### What I like to do at home

I like to spend time with my family, I also like to be creative and make nappy cakes and different kinds of arts and crafts.

### Some of my favourites...

I love spending time with my two children (Maya and Millie) my husband and my family and friends. I enjoy meeting new people and love going on fun days out.

### Other interesting things about me

I am half Welsh, however I actually don't know any Welsh.
